Why Partners Refer Team Clean

Local	Fast	Proof	Process
Columbus-area service and nearby quote review.	Photo-first scoping and clear next steps.	Real before/after images from Team Clean media.	Surface review, scope notes, timing, and expectations.

Partner-Specific Uses

Partner	Best Use	How Team Clean Fits
Realtors	Pre-listing curb appeal	Driveways, walkways, house wash, soft wash, windows, and photo-ready exterior refreshes.
Property managers	Exterior maintenance/vendor support	Move-in, renewal, small commercial, and common-area exterior cleaning by quote review.
Lawn companies	Curb appeal referral partner	Concrete and exterior cleaning that pairs naturally with lawn care.
Painters	Paint-prep washing	Soft wash, house wash, concrete, and final exterior cleanup support.
Roofers	Soft wash / exterior cleanup	Exterior cleanup support. Roof washing requires safe scope and coverage confirmation.
Window companies	Post-install add-on	Exterior windows, entry areas, siding, and concrete to finish the clean look.

Service Menu

Service	Partner Use	Pricing
Driveway cleaning	Pre-listing curb appeal, move-in refresh, homeowner add-on.	Quote after review.
Concrete cleaning	Walkways, patios, curbs, entry paths, pads.	Quote after review.
House washing	Siding, trim, exterior buildup, curb appeal reset.	Quote after review.
Soft washing	Delicate exterior surfaces where pressure may not be right.	Quote after review.
Window cleaning	Exterior glass, post-cleaning finish, storefront glass by review.	Quote after review.
Commercial categories	Sidewalks, storefront approaches, breezeways, pool decks, common areas, dumpster pads.	Quote after review.
Confirm before offering	Gutter brightening/cleaning and roof washing require current scope/coverage confirmation.	Do not promote until confirmed.

Before / After Proof

Use real Team Clean project photos when explaining the curb appeal value. Replace or expand these with more approved house washing, soft washing, window, and commercial examples as they become available.
